

**Hello.**

The countdown is under way: The third edition of the SHL Newsletter is all about our Technology Days. We offer you the very latest, first-hand expertise, present you with some highly interesting automation solutions – and warmly invite you once more to join us.

TECHNOLOGY DAYS 2009

POLISH UP YOUR  
FUTURE PROSPECTS.  
WITH SHL

**LERN, THEN CELEBRATE:  
ATTEND OUR EVENING  
EVENT ON JUNE 18!**

[MORE INFORMATION  
AND REGISTRATION: HERE.](#)

**Get hold of valuable expertise for a brilliant future:  
Register by Wednesday, June 10, 2009.**

At our Technology Days – from June 18 to 20 at our headquarters in Böttingen – you'll experience special SHL systems in operation, and acquire exclusive professional know-how from expert speakers.

We'll be especially glad to welcome you to our Evening Event on Thursday, June 18 at 7pm. You can find the complete programme of events on the Internet at [www.brillanttimes.com](http://www.brillanttimes.com). And you can also register there directly. We look forward to your visit!

Take advantage of this unique opportunity to acquire comprehensive information on the state of the art in surface refinement, with a special focus on grinding and polishing. Register now!

**20 years of experience – a further reason to celebrate.  
For more information: [History](#)**

You'll find more information at our website [www.shl-automatisierung.com](http://www.shl-automatisierung.com)
